Letter of Recommendation - Jack Mausser

Jack Mausser is one of those players who plays the game the right way and is always trying to improve and fight for every advantage. Whether it is taking extra batting practice, sharpening his defensive skills, or putting in the effort to get stronger and faster – he works hard in a disciplined way to prepare himself to help our team win.

And while he is obviously a tremendous talent, what is more impressive is the person that he is. He is one of the best teammates that I have coached. He leads by example, relentlessly hustles, is first in line with a high-five and will do whatever is best for the team. There is an excitement he brings to the field every day and it is contagious. He is a winner that makes everyone around him better and it has been a privilege to coach him.
